

Yesim Darici, Ph.D., Director, Center for Women's and Gender Studies and Professor, Physics. Dr. Darici is currently Co-Lead Investigator on a recently awarded National Science Foundation ADVANCE grant that builds on her previous five years of advocacy to improve the institutional climate for women and minority faculty at FIU. Dr. Darici received her Ph.D. in physics from the University of Missouri-Columbia. Prior to her current position, she had a successful career at FIU as a research physicist, teacher, and community leader.
